

Riverbed Academy

Learning and Certification

The Riverbed Academy learning and Certification program empowers learners to deploy, configure and apply Riverbed solutions to day-to-day use cases that are relevant to your business. Become a certified operator and administrator to make the most of your essential Riverbed solutions in no time.

Riverbed Academy Methodology

Riverbed Academy courses are structured into **modular activities**, to allow easy self-paced progression.

Activities may be completed as **interactive lessons**, **video demonstrations**, or **hands-on labs**.

Each learning plan includes an optional exam assessment of its contents, to earn your solution **Certification**.

Learning Objectives

Each Riverbed Academy learning plan will:

- Provide a solution **introduction** for newcomers and managers.
- Empower **operators** to apply Riverbed solutions in common and advanced use cases.

Help **administrators** design and deploy Riverbed solutions with key features to maximize value for IT management and your business.
