CERTIFICATE OF REGISTRATION

Information Security Management System – ISO/IEC 27001:2022

Coalfire Certification, Inc. certifies that the following organization operates an Information Security Management System (ISMS) that conforms to the requirements of ISO/IEC 27001:2022 per the scope and boundaries statement detailed below:

COMPANY:	Riverbed Technology LLC	ADDRESS:	275 Shoreline Drive Pkwy Suite 350 Redwood City, CA 94065 United States

Scope:

The certificate scope comprises the Information Security and Privacy Management System (ISPMS) supporting the operations and underlying both the Riverbed Unified Observability Platform (including NPM+) and the Riverbed Aternity Digital Experience Management Platform. The Riverbed Aternity Digital Experience Management Platform comprises the End User Experience Management (EUEM) and Application Performance Management (APM) offerings that are provided to customers in the United States (US), Germany (EU), Canada (CA), United Kingdom (UK), and Australia (AU) hosting regions. The organizational scope includes the Information Security, Information Technology, SaaS Operations teams, HR, and Privacy teams affecting the ISPMS. These activities are governed by the implemented controls in accordance with the organizational Statement of Applicability as extended by the Processor controls described within ISO/IEC 27701:2019.
